Well360 Virtual Health

Well360 Virtual Health comes with all of our plans.
It includes virtual access to primary and urgent care:

Virtual primary care

Members can:

- Select a primary care provider for regular visits.
- Receive prescriptions at local pharmacies.
- Get recommendations, lab results, and prescriptions.

Virtual urgent care

Members can:

- Get care for nonemergency conditions, like colds, flu, sprains, pinkeye, and ear infections.
- See a provider 24/7.
- Pick up prescriptions at local pharmacies.

Well360 Virtual Health also gives your members access to specialty care:

Virtual behavioral health

Members can:

- Schedule a visit with a therapist or psychiatrist, usually within days.
- Browse by specialty and availability.
- Get an appointment on weekends or evenings, if preferred.

Virtual dermatology

Members can:

- Get expedited care from board-certified dermatologists.
- Upload photos of skin, hair, or nail conditions.
- Receive a diagnosis and treatment plan.

Virtual women's health

Members can:

Access doctors and therapists for medical concerns specific to women, including:

- Pregnancy.
- Postpartum issues.
- Menopause.
